

Year 4 Terms 1&2: Home learning

Each week children will need to complete 2 pages from the CPG books that have been given out. Below are the details of which book and the relevant page numbers to complete each week – this will alternate between the Grammar, Punctuation and Spelling (GPS) and Maths books, with the exception of spellings, which are to be completed weekly.

Once children have had a go at the pages, please support them to check their answers (these can be found at the back of the book). If corrections are needed, please encourage your child to see if they can explain to you where they went wrong, as this is a great way for them to deepen their learning. We all make mistakes, but sometimes the best learning is from talking about why they were made – so please encourage this from home too!

You can also select a creative task every two weeks (or more if you wish) to complete. We hope that you enjoy your tasks and we can't wait to see what you produce!

Term 1				
Week	Week beginning	Spelling Pages (in GPS Book)	GPS Pages	Maths Pages
1	11 th September	68 & 69: Prefixes 'dis' and 'mis'	4 & 5: Nouns and Adjectives
