Dear Parents/Carers

Year 6 Term 4: Home learning

Each week, children will need to complete selected pages from the Maths and Grammar CPG books that have been given out. Class teachers will continue to email parents informing them of the pages: as a year group, we adapt our pages to suit our cohort so do not always have the same tasks.

Once children have had a go at the pages, please support them to check their answers (these can be found at the back of the book). If corrections are needed, please encourage your child to see if they can explain to you where they went wrong, as this is a great way for them to deepen their learning. We all make mistakes, but sometimes the best learning is from talking about why they were made – so please encourage this from home too!

Each week, homework will be set on a Friday and is due in on the following Tuesday (unless stated otherwise). Please do encourage your child to complete and hand in their homework: it helps consolidate learning as well as prepare them for secondary school.

On occasions, there may be additional tasks set, relevant to our current learning. You will be notified of this via email as before.

Thank you for all your support at home and helping your children every week with their homework. Your help doesn't go unnoticed and is greatly appreciated.

Best wishes,
The Year 6 Team.
