Year 3 Terms 4: Home learning

Each week children will need to complete 2 pages from the CPG books that have been given out. Below are the details of which book and the relevant page numbers to complete each week – this will alternate between the Grammar, Punctuation and Spelling (GPS) and Maths books, with the exception of spellings, which are to be completed weekly.

Once children have had a go at the pages, please support them to check their answers (these can be found at the back of the book). If corrections are needed, please encourage your child to see if they can explain to you where they went wrong, as this is a great way for them to deepen their learning. We all make mistakes, but sometimes the best learning is from talking about why they were made – so please encourage this from home too!

If you wish, can also select a creative task to complete. We hope that you enjoy your tasks, and we can't wait to see what you produce!

This term we are setting Home Learning on a Friday and would like it completed by the following Wednesday. Children will need to hand their CGP books in by Wednesday, ready for the class teacher to look at and initial or stamp.

If you have any questions, please contact your child's class teacher.

Thank you for your continued support.

Go for a walk, how many signs can you see that Spring is on its way? Draw what you see, create a picture or take some photos. We would love to see them.	What different sources of light can you find in and around your home? How many surfaces can you find that reflect light? What do you notice about these surfaces? What can you find out about the scientist Thomas Edison?	Book review – Pick your favourite or current book. Let us know why we should read it. You could write your review or how about making a video message and sending it to your teacher?	Have a look at a variety of different flowers. Observe how they may be similar and how they may be different. What is the role of a Gardener? What jobs might they do?
Go on TTRockstars as often as you can- little but often is the key. Can you help your class to win our weekly competition?	Have a go at sewing using different stitches. Design and make something using stitching- a hairband, a bag or maybe a puppet.	Set yourself a fitness challenge e.g. How many star jumps can you do in a minute? Practice each day for a week and see if you can improve your score.	The Romans were famous for their mosaics. Have a look at some images of mosaics and try to create one of your own.
