Dear Parents/Carers

Year 5 Terms 4: Home learning

Each week children will need to complete 2 pages from the CPG books that have been given out. Below are the details of which book and the relevant page numbers to complete each week – this will alternate between the Grammar, Punctuation and Spelling (GPS) and Maths books. Spellings, which are to be completed weekly.

Once children have had a go at the pages, please support them to check their answers (these can be found at the back of the book). If corrections are needed, please encourage your child to see if they can explain to you where they went wrong, as this is a great way for them to deepen their learning. We all make mistakes, but sometimes the best learning is from talking about why they were made – so please encourage this from home too!

If you wish, can also select a creative task to complete. We hope that you enjoy your tasks, and we can't wait to see what you produce!

This term we are setting Home Learning on a Friday and would like it completed by the following Wednesday, ready for the class teacher to look at and initial or stamp.

The children can also continue to use Times Tables Rock Stars and contribute to the class score.

Thank you for all your support at home and helping your children every week with their homework. Your help doesn't go unnoticed and is greatly appreciated.

Best wishes,
The Year 5 Team.
